The Bay Area's Healthcare Network

At Canopy Health, we believe healthcare can be affordable, clear, and predictable. Our standout feature is the freedom of our members to obtain high-quality care from an alliance of nearly 5,000 top caregivers across the Bay Area. When you choose a Canopy Health primary care physician, our entire network of doctors, hospitals, and care centers are at your service – no matter where you live, work, or play.

Our Promise

ACCESS

As a member, you have access to in-network services with the entire Canopy Health alliance of nearly 5,000 providers and 19 hospitals across nine Bay Area counties.

TRANSPARENCY

We've developed clear and accurate cost transparency tools to provide clarity throughout the continuum of care.

COORDINATED CARE

We optimize care through improved communications and coordination, data sharing, and advanced technologies to achieve preferred patient outcomes.

Access Is Easy for Members

1. As a member, you select a primary care physician (PCP) from our medical group partners:

   - Dignity Health Medical Network – Santa Cruz
   - Hill Physicians Medical Group – East Bay & San Francisco
   - John Muir Health Physician Network
   - Meritage Medical Network
   - Santa Clara County IPA (SCCIPA)
