

The Bay Area's Healthcare Network

As a top caregiver in the Bay Area, you're part of Canopy Health's integrated healthcare experience. Our standout feature is the freedom of our members to obtain high-quality care from our alliance's nearly 5,000 caregivers across the Bay Area. When members choose a Canopy Health primary care physician, they have access to our entire network of doctors, hospitals, and care centers - no matter where they live, work, or play.
