

Video Visits Offer Easy Access to Care

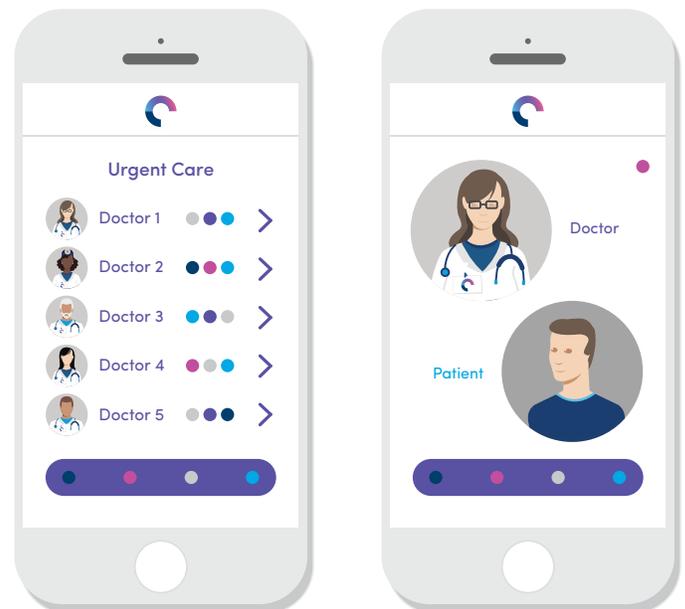

Canopy Health members deserve great care when and where they need it. As part of our commitment to providing easy access to care **Canopy Health offers members virtual care Video Visits**. Members can access a skilled and experienced physician around-the-clock directly from their phone.

Unlimited Care

Video Visits are available to members 24/7 with no appointment necessary, and prescriptions can be sent electronically to the pharmacy of their choice. To learn more about how a virtual visit can create healthcare efficiencies and better outcomes for your patients, please call **888.822.6679** or visit **CanopyHealth.com**.

One Step Closer to Health

Members can review provider profiles and see a doctor within minutes.

Call Us
