# Choosing your primary care physician.

Doctors Plan requires you to select a network PCP for each covered family member.

## To get started:

1

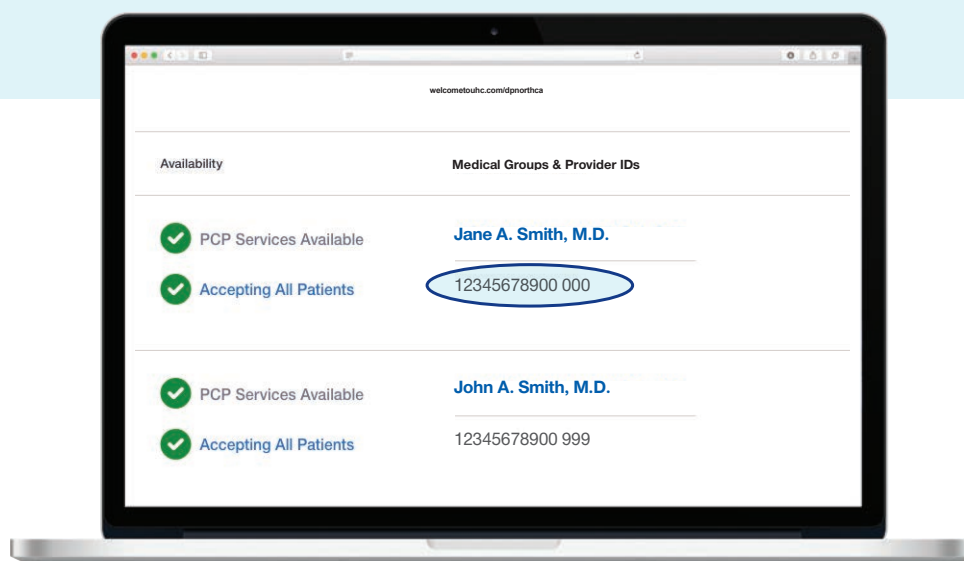

Go to [welcometouhc.com/dpnocal](https://welcometouhc.com/dpnocal), select **Benefits** in the top navigation and choose **Find a Doctor or Facility**. Then, select **Doctors Plan**.

2

To make your PCP selection from a list of providers within the network, choose **People > Primary Care**, then find and click on the name of the PCP you want.

3

Finally, write down the **provider's 14-digit ID number**—and keep it handy. You'll need it to enroll!

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. UnitedHealthcare also covers other routine services, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

Images with PCP names and Physician ID numbers are for illustration only. Physician ID number will be different for each provider.

Please see your official health plan documents for all coverage details, which includes limitations and exclusions.
